

Workshops

07:30 -08:30	Registration		
08:30 -09:00	Opening and welcome notes		
09:00 -09:40	Ecological resilience of peatlands to climate change		Speaker: Chris Evans (UK Centre for Ecology & Hydrology)
Coffee - Break			
10:00 -12:00	<p>1.1 Soil Properties and Biogeochemical Processes in Peatlands</p> Chair: Haiguo Liu (University of Rostock) Dominik Zak (Aarhus University)	<p>2 Renaturierungspraxis in verschiedenen Moortypen</p> Chair: Cornelia Studa (PSC-HSWT)	<p>3 Peatlands under stress and their ecological resilience</p> Chair: Juan Carlos Benavides (IHS) Matthias Dröslér (PSC-HSWT)
Lunch			
13:20 -14:00	Habitat features and biodiversity of peat bogs in Belarus		Speaker: Gennadi Sushko (Vitebsk State University)
14:15 -16:00	<p>1.2 Soil Properties and Biogeochemical Processes in Peatlands</p> Chair: Haiguo Liu (University of Rostock) Dominik Zak (Aarhus University)	<p>4 Stoffliche und energetische Nutzung von Paludikultur-Biomasse</p> Chair: Raphael Burkhardtsmayer (Donaumöos-Zweckverband)	<p>5 Rewetted peatlands – Biodiversity hotspot or novel ecosystems</p> Chair: Theresa Lehmayr (Bayerisches Landesamt für Umwelt)
Coffee - Break			
16:30 -17:00	Quick Talk - Exhibitors		
17:00 -18:00	Paludi - Market		
19:00 -	Conference dinner		

07:00 -08:00	Registration			
08:00 -08:40	Could improved water management optimize the greenhouse gas balance of peatlands?		Speaker: Bärbel Tiemeyer (Thünen-Institute)	
Coffee - Break				
09:00 -10:15	<p>6.1 Exchange of greenhouse gases from organic soils</p> Chair: Tim Eickenscheidt (PSC-HSWT)	<p>7.1 Perspektiven für Wälder auf Moorböden</p> Chair: Stefan Müller-Kroehling (Bayerische Landesanstalt für Wald und Forstwirtschaft)	<p>8 Social and economic challenges and impacts of peatland transformation</p> Chair: Harald Grethe, (Agora Agrar & Humboldt University Berlin)	
Coffee - Break				
10:45 -12:00	<p>6.2 Exchange of greenhouse gases from organic soils</p> Chair: Tim Eickenscheidt (PSC-HSWT)	<p>7.2 Perspektiven für Wälder auf Moorböden</p> Chair: Stefan Müller-Kroehling (Bayerische Landesanstalt für Wald und Forstwirtschaft)	<p>9 Hydrological models for peatlands: processes, scales and applications</p> Chair: Kristian Förster (HSWT)	<p>10.1 Wet management and strategies in agriculture</p> Chair: Matthias Dröslér (PSC-HSWT)
Lunch				
13:20 -14:00	People make Peatlands – practical projects and political processes towards peatland rewetting		Speaker: Gerald Jurasinski (GMC)	
14:15 -16:00	<p>11 Classification and mapping of organic soils including remote sensing</p> Chair: Ulli Dettmann (Thünen Institute of climate smart agriculture)	<p>12.1 Peatland conservation, restoration and management policies and programmes</p> Chair: Marka Naalinen (Food and Agriculture Organization of the United Nations)	<p>10.2 Wet management and strategies in agriculture</p> Chair: Matthias Dröslér (PSC-HSWT)	<p>12.2 Rechtliche Herausforderungen und Anpassungsbedarf</p> Chair: Jossy Martinez (Georg-August-Universität Göttingen) Anna Kiemlecker (FFG)
Coffee - Break				
16:30 -17:30	Poster Session			
17:30 -18:00	Closing Session			

08:00 -18:00	Field trips					
	Excursion 1: Karolinenfeld experimental station (BaySG) and Koller- and Hochrunstfilze	Excursion 2: Schechenfilz and Benediktbeuern	Excursion 3: Swabian Donaumoos and Dattenhauser Ried	Excursion 4: Bavarian Donaumoos	Excursion 5: Bavarian Forest	Excursion 6: Freisinger Moos and Erdinger Moos

15:30 -18:30	Workshop 1: Pragmatischer Umgang mit Umsetzungsmaßnahmen im Hinblick auf Vernässungen	Workshop 2: Information und Kommunikation zum Moorbodenschutz	Workshop 3: Rechtliche Hürden und Möglichkeiten für die Moorvernässung
--------------	--	--	---

19:00 - Get together
